Dear parents and carers,

As you are aware, there has been an emergency maintenance issue at Ann Bernadt Nursery School, which means we have had to close the nursery. Please be advised that we are doing everything in our power to ensure that the issues are resolved as soon as possible and the school can reopen. Please keep checking the website for further updates:
<https://www.annbernadtnursery.co.uk>

We have created a contingency plan until further notice. We are relocating temporarily to a classroom in Bellenden Primary School. Your child will have the same session times and will be with familiar staff. We will be in a self-contained classroom and the children will have access to an outside area. Please find address below:

Once again please except our apologies for the inconvenience caused.
